

**Humberside Engineering Training Association HETA is a rapidly expanding Group Training Association (GTA) providing engineering apprentices and adult skills training for hundreds of companies in Yorkshire and Humberside.**

**HETA has a vacancy for the following position**

**ELECTRICAL / INSTRUMENTATION INSTRUCTOR**

**Competitive Salary and package. 29+8 day holiday entitlement.**

The successful applicant will have good craft/technical skills, good interpersonal skills, basic computer skills and more than five years industrial experience. Underpinning qualifications to at least City and Guilds Craft certificate and HNC. Assessor qualifications A1&A2 and PGCE or City and Guilds teaching certificate are desirable.

**These positions will involve training of highly motivated 16-19 year old apprentices, in company assessment of NVQ 3 Skills and some adult training work. It is important that all applicants have a clear commitment to the development of young people.**

**HETA is committed to safeguarding our learners and successful applicants will be required to undertake a Criminal Records Bureau check and to register on a suitable instructor training programme.**

**Full support will be given in the development of necessary skills.**

**HETA is committed to Equal Opportunities.**

To apply for the above positions please download an application form from the Career Opportunities page on the HETA website <http://heta.co.uk/corporate/career-opportunities> or contact Cathy Jackson on 01482 372675.

Humberside Engineering Training Association Ltd. (HETA) is a not for profit Charity.
